Midwife – Antenatal Discharge to Community

Scenario

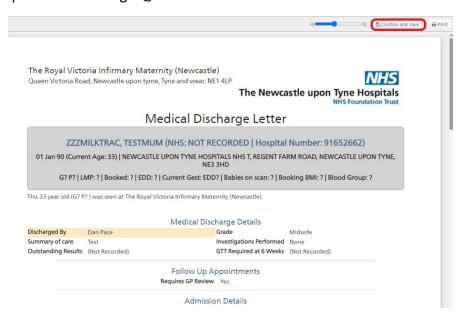

A midwife needs to complete the antenatal discharge process.

Instruction

1. Search for 'Medical Discharge' in the 'Enter new note' feature.

- 2. In form, complete summary details of inpatient stay, then authorise and sign form.
- 3. Click on 'Clinical Reports' in the 'reports' section.
- 4. Select 'Medical Discharge Letter' under the 'Admission and Discharge' heading.
- 5. Click on **Confirm and Save** in the top right corner of the form to send this report to the admin in box (email will already be pre-populated nuth.postnataldischarges@nhs.net

6. This drops into mailbox monitored by the admin team who will then email this out to the community midwives along with the postnatal discharges.

Date: January 2023

DO NOR USE TRANSFER OF CARE FORM/NOTE FOR ANTENATAL DISCHARGES. This is for postnatal discharges only
