Mother Transfer to Postnatal Community Care

Please complete any missing information which stops the report displaying. Then **Confirm and Send** (Top right-hand corner). Please use this additional notes box to detail any important information about the woman for admin. For example – woman readmitted (baby not admitted), mother going home without baby etc. This is to ensure admin are aware they will not receive a baby transfer of care. **Email – nuth.postnataldischarges@nhs.net**
