

Review Hub Referral form

Review the referral

In Task List

- Double click on a task in the referral to open the Review Discharge Hub Referral form.

The screenshot shows a web application window titled 'Review Discharge Hub Referral - ZZZTEST, EREC2701'. The interface includes a sidebar with navigation links like 'Review Discharge Hub Referral', 'Activities of Daily', 'Package of Care', 'Criteria to Reside', and 'Previous Hub Cor'. The main content area is titled 'Discharge Hub Review' and contains several form fields: 'Home Address & Temporary Address' (with a text box for 'Home Address: Newcastle upon Tyne Hospitals NHS T Regent Farm Road NEWCASTLE UPON TYNE - NE3 3HD' and a 'Temporary Address' field), 'Current encounter details' (with 'Expected Date of Discharge: 06/09/23 15:26:00 (04/09/23 15:24:00)'), 'Local Authority Area' (a dropdown menu), and 'Responsible Team' (a dropdown menu). A 'Remain reason' section contains a grid of radio button options for various reasons, such as 'Acute Psych Bed', 'Awaiting a medical decision', 'Dispute', 'POC', 'REPAT - Acute', 'REPAT - Rehab', 'Blocked Booked Bed', 'Transport', 'Volunteer Service', 'Awaiting Discharge Hub Referral', 'Care Home New', 'Dispute', 'EDL', 'Now meets Criteria to reside, discharge stopped', 'Safeguarding concerns', 'Equipment', 'Family', 'Hospice', and 'Awaiting Discharge Hub Referral'.

- Details from the referral form can be viewed in the Review form.
- Anything that needs to be corrected can be updated from the Review form.
- The Review section includes some mandatory fields to confirm which team is responsible for the discharge of the patient.
- Hub Comments should be used to reflect the next steps agreed and discussed in the Hub meetings.
- A follow-up task can be generated by selecting a date and time in the future. This will add a follow-up task allowing the case to be reviewed again after an appropriate period of time.

The screenshot shows a form titled 'Follow-up Date and Time'. It contains a date input field with a calendar icon, a time input field with a clock icon, and a dropdown menu for selecting a time interval.

- Expected discharge destinations need to be recorded for all inpatients referred to the hub - the options available depend on the pathway chosen.

Discharge Pathway

☐ Pathway 0 ☐ Pathway 1 ☐ Pathway 2 ☒ Pathway 3 

Expected Discharge destination - Pathway 0

☐ Domestic home ☐ Hotel or other temporary accommodation

Expected Discharge destination - Pathway 1
